

Announcing MAPEX **MapleTech**

A **totally new** concept in **drum** technology. Starting with three unique shell types, right up to the **advanced** hardware design featuring isolated tom and bass drum mounts with **infinite** adjustability. Mapex **engineers** spent umpteen thousand hours to bring you the new Mapex Orion Series **MapleTech** drums. The **buzz** is that Mapex is sure to be the most **exciting** name on drums in 1996.

Coming soon to leading
drum shops worldwide!
