Precious Metal™ Snare Drums from

MAPEX.

"I love the phosphor bronze snare drum so much I'm afraid to take it out... but I'm glad that I do. This drum has the warmth of wood and the tone of metal, making it a true modern classic with endless sound possibilities."

Brian Blade

Seal, Bob Dylan, Joshua Redmond,
Brian Blade Fellowship

"Doesn't matter if it needs the snap, crackle of backbeat or the 'dragged roll' of second-line grooves, the Precious Metal phosphor bronze snare drum speaks with clarity and definition all of the time."

Herlin Riley

Wynton Marsalis

From a whisper to a roar, and everything in between, the response, sensitivity and clarity of Mapex's phosphor bronze Precious Metal™ Snare Drums offer the professional player a pure distinctive voice.

Whether live or in the studio the crisp, the cutting attack and powerful projection of Mapex's stainless steel Precious Metal™ Snare Drums boast the widest range of voices that are perfect for any style of music.
