SNARE NUMBER **28**

BLACK PANTHER **BLONDE BIRDSEYE MAPLE** 13x6

this blonde may be beautiful, but don't be fooled by her looks, she can deliver incredible sound too... a thin maple shell resonates with warm tone that faithfully reproduces the most subtle stick or brushwork... 2.3mm powerhoops provide extra sustain, sensitivity and reliable articulation.

[BPBE3605XN]

SPECIFICATIONS: 6.1mm shell thickness « 2.3mm Chrome Powerhoops « fully adjustable throwoff and butt plate « 20 strand snappy snare

"I've played Black Panther snares for nearly a decade. There's no more versatile snare anywhere at any price."

Gregg Bissonette «
