

[BPWT4650TBW]

SNARE NUMBER

BLACK PANTHER **PREMIUM WALNUT** 14x6.5

re-styled for 2007 with a beautiful "brown sugar burst" finish... this drum is all about dark, deep, lustfully rich tone... a natural for players that want explosive power with a high degree of controllable articulation.

[BPWT4650TBW]

SPECIFICATIONS: 8.5mm shell thickness « black chrome die cast hoops « fully adjustable throwoff and butt plate « 42 strand snappy snare.

"Whether I'm in the studio or on the road,
my Black Panther Snare always delivers. It's a killer drum."

Mike Novak « Every Time I Die
