

## THIRTY TIMES THE BANG

If you're only playing one snare sound, you're cheating yourself. Black Panther Snare Drums come in a wide variety of sizes and shell materials, giving you ample opportunity to expand your sonic palette.

Whether you add a steel, brass, bronze or premium wood Black Panther snare, you can count on maximum sensitivity, clarity and resonance. Black Panther Snares are built by hand to exacting specifications and

feature low-mass lugs, adjustable butt plates, easy-to-operate throw-offs, REMO® Weatherking™ heads, nylon tension rod washers and precision machined brass lug nuts.

Whether you're a novice shopping for your first snare drum or a seasoned pro in search of your thirtieth snare drum, Black Panther Snare Drums offer variety, quality and performance.

# SPECIAL EDITION SNARE DRUMS

## SS SOLID STEEL 14x5.5

**Shell Thickness:** 3.0mm at center  
5.0mm at reinforcing ring

**Shell Finish:** Black Chrome

**Hoops:** Die Cast Hoops

**Hoop Finish:** Black Chrome

**Snare:** 20-strand snappy

BPST455SLB

This incredible drum delivers ear-shattering sonics unmatched by any other instrument. A completely seamless steel shell is precisely cut and routed for perfectly unforgettable dynamic reproduction. The uniquely patterned exterior design is cut directly into the steel shell giving it a look that screams power. The SS weighs in at a hefty 17.3lbs and possesses all the punch expected from a true heavyweight.

## BLONDE BIRDSEYE MAPLE 14x5.5

**Shell Thickness:** 6.2mm

**Shell Finish:** Gloss Natural

**Hoops:** 2.3mm Powerhoops

**Hoop Finish:** Chrome

**Snare:** 20-strand snappy

BPST455SLB

With an exterior ply of beautifully figured birdseye maple and a clear, high gloss finish, this may be one of the most gorgeous drums we've ever offered. But this blonde isn't just about looks — she sounds great too. The all maple shell delivers crisp, high tone and the 2.3mm Mapex Powerhoops provides superior articulation.

## CHERRY & MAPLE 12x7

**Shell Thickness:** 6.2mm

**Shell Finish:** Gloss Natural

**Hoops:** 2.3mm Powerhoops

**Hoop Finish:** Chrome

**Snare:** 20-strand snappy

BPST455SLB

We've taken a hot 12x7 maple snare and finished with a beautiful ply of natural cherry wood. The result is an awesome instrument that not only looks great — it's a "must have" for any player looking for a unique auxilliary snare sound.
